

BOARD GAME CLUB

Diana Villa-Brewer

Tabletopia.com

- [Play 900+ Board Games Online for Free • Tabletopia](https://www.tabletopia.com)
- Free website for ages 3 and older to play boards games.
- Can be played with online guests, individually, or with friends/family.
- Use as a great summer gathering with friends and family.

Virtual Gathering

Activity

- Step 1: Students meet for an hour via video conference with peers to pick a game of their choosing for the group to play at the end of the week. All students should have some interest in it.
- Step 2: Students will meet at online platform Tabletopia.com to create a room and play privately. Video or audio call conferencing can be used to have peer interactions. Chat box is included in the game and can be used as well.

Audience

- This club is intended for students in high school (14-17 years old)
- Teacher or Adult will be there to facilitate
- Inclusive setting for students with the autism spectrum in a high school club.

Benefits of Board Games

- Board games can help students on the autism spectrum with improving communication skills.
- Board games can teach students how to take turns.
- They provide a structured format for socializing.
- They provide a safe way to learn how to handle frustration and emotions.
- Teach planning and problem solving.
